Multilateral Memorandum of Understanding
**between the Agency for the Cooperation of Energy
Regulators and National Regulatory Authorities and
market monitoring bodies**

concerning

**cooperation and coordination of market monitoring
under Regulation (EU) No. 1227/2011 of the European
Parliament and of the Council on wholesale energy
market integrity and transparency (REMIT)**

THE SIGNATORIES OF THIS MULTILATERAL MEMORANDUM OF UNDERSTANDING,

Whereas

1. On 8 December 2011, the EU adopted new stringent rules on wholesale energy trading. Regulation (EU) No. 1227/2011 of the European Parliament and of the Council on wholesale energy market integrity and transparency (REMIT) introduces a sector-specific framework for the monitoring of wholesale energy markets, with the objective of detecting and deterring market manipulation and insider trading.
2. Recital 17 of REMIT provides that efficient market monitoring at Union level is vital for detecting and deterring market abuse on wholesale energy markets. Close cooperation and coordination between the Agency and NRAs is therefore necessary to ensure proper monitoring and transparency of energy markets.
3. According to Article 7(1) of REMIT, the Agency shall monitor trading activity in wholesale energy products to detect and prevent trading based on inside information and market manipulation.
4. According to Article 7(2) of REMIT, NRAs shall cooperate at regional level and with the Agency in carrying out the monitoring of wholesale energy markets. NRAs may also monitor trading activity in wholesale energy products at national level. Member States may provide for their national competition authority or a market monitoring body established within that authority to carry out market monitoring with the NRA.
5. According to Article 10(1) of REMIT, the Agency shall establish mechanisms to share information it receives in accordance with Article 7(1) and Article 8 with NRAs, competent financial authorities of the Member States, national competition authorities, ESMA and other relevant authorities. Before establishing such mechanisms, the Agency shall consult with those authorities.
6. According to Article 11 of REMIT, REMIT shall be without prejudice to the obligations of Member States relating to their processing of personal data under Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 on the protection of individuals with regard to the processing of personal data and on the free movement of such data or the obligations of the Agency, when fulfilling its responsibilities, relating to its processing of personal data under Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data.
7. According to Article 12(1) of REMIT, the Agency shall ensure the confidentiality, integrity and protection of the information received pursuant to Article 4(2) and Articles 8 and 10 of REMIT.

The Agency shall take all necessary measures to prevent any misuse of, and unauthorized access to, the information maintained in its systems. NRAs, competent financial authorities of the Member States, national competition authorities, ESMA and other relevant authorities shall ensure the confidentiality, integrity and protection of the information which they receive pursuant to Articles 4(2), 7(2) or 8(5) or Article 10 of REMIT and shall take steps to prevent any misuse of such information. The Agency shall identify sources of operational risk and minimise them through the development of appropriate systems, controls and procedures.

8. According to Article 13(1) of REMIT, NRAs shall ensure that the prohibitions set out in Articles 3 (prohibition of insider trading) and 5 (prohibition of market manipulation) and the obligation set out in Article 4 (obligation to publish inside information) are applied.
9. According to Article 16(1) of REMIT, the Agency shall aim to ensure that NRAs carry out their tasks under REMIT in a coordinated and consistent way. The Agency shall publish non-binding guidance on the application of the definitions set out in Article 2 of REMIT, as appropriate. NRAs shall cooperate with the Agency and with each other, including at regional level, for the purpose of carrying out their duties in accordance with REMIT.
10. According to Article 16(2) of REMIT, NRAs shall without delay inform the Agency in as specific a manner as possible where they have reasonable grounds to suspect that acts in breach of REMIT are being, or have been, carried out either in that Member State or in another Member State. Where an NRA suspects that acts which affect wholesale energy markets or the price of wholesale energy products in that Member State are being carried out in another Member State, it may request the Agency to take action in accordance with paragraph 4 of Article 16 and, if the acts affect financial instruments subject to Article 9 of Directive 2003/6/EC, in accordance with paragraph 3 of Article 16.
11. According to Article 16(3)(a) of REMIT, NRAs shall inform the Agency and the competent financial authority of their Member State where they have reasonable grounds to suspect that acts are being, or have been, carried out on wholesale energy markets which constitute market abuse within the meaning of Directive 2003/6/EC and which affect financial instruments subject to Article 9 of that Directive.
12. According to Article 16(3)(d) of REMIT, NRAs shall inform the Agency, the national competition authority of their Member State and the Commission where they have reasonable grounds to suspect that acts are being, or have been, carried out on wholesale energy market which are likely to constitute a breach of competition law.

-
13. According to Article 16(4) of REMIT, the Agency shall, on the basis of initial assessments or analysis, where it suspects that there has been a breach of REMIT, have the power:
- a. to request one or more NRAs to supply any information related to the suspected breach;
 - b. to request one or more NRAs to commence an investigation of the suspected breach, and to take appropriate action to remedy any breach found. Any decision as regards the appropriate action to be taken to remedy any breach found shall be the responsibility of the NRA concerned;
 - c. where it considers that the possible breach has, or has had, a cross-border impact, to establish and coordinate an investigatory group consisting of representatives of concerned NRAs to investigate whether any provision in REMIT has been breached and in which Member State the breach took place. Where appropriate, the Agency may also request the participation of representatives of the competent financial authority or other relevant authority of one or more Member States in the investigatory group.
14. According to Article 16(5) of REMIT, an NRA receiving a request for information under point (a) of Article 16(4), or receiving a request to commence an investigation of a suspected breach under point (b) of Article 16(4), shall immediately take the necessary measures in order to comply with that request. If that NRA is not able to supply the required information immediately, it shall without further delay notify the Agency of the reasons. An NRA may refuse to act on a request where: (a) compliance might adversely affect the sovereignty or security of the Member State addressed; (b) judicial proceedings have already been initiated in respect of the same actions and against the same persons before the authorities of the Member State addressed; or (c) a final judgment has already been delivered in relation to such persons for the same actions in the Member State addressed. In any such case, the NRA shall notify the Agency accordingly, providing as detailed information as possible on those proceedings or the judgment.
15. According to Article 17(1) of REMIT, any confidential information received, exchanged or transmitted pursuant to REMIT shall be subject to the conditions of professional secrecy laid down in Article 17(2) to 17(4) of REMIT. According to Article 17(4) of REMIT, without prejudice to cases covered by criminal law, the Agency and NRAs which receive confidential information pursuant to REMIT may use it only in the performance of their duties and for the exercise of their functions.
16. The most expedient way to define the scope and practical terms of implementing the cooperation foreseen in REMIT between the Agency and NRAs is a Memorandum of Understanding (MoU),
