

I hereby declare that I have read AB Decision 02/2015 containing the Agency's Policy for the prevention and management of conflicts of interest and that the above Declaration of Interests is to my best knowledge complete and in compliance with such AB Decision 02/2015 and, where relevant, the legislative background.

I understand that the Declarations of Interest will be processed according to the Policy for the prevention and management of conflicts of interest and entered in a register held by the Agency.

The Declaration of Interest of Agency's board members, of Agency's Working Group's Chairs and Vice-Chairs, of Task Force's Conveners, of the Agency's Director and Senior Management will also be published on the Agency's website. For security and data protection reasons the signatures provided on the Declaration of Interest will not be visible when it is published on the Agency's website.

Please note that the Agency will ensure that your personal data hereby submitted is processed in line with Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data¹⁶. For more details on the processing of your personal data, see the privacy statement applicable to your situation.¹⁷

If you include information on close family members, please inform them that the Agency will be processing data related to them.

Done at Paks, Hungary **On** 01.03.2017.

Annex 2 – Curriculum vitae

Name	<i>Pál KOVÁCS</i>
Position / Involvement in the Board or Agency	<i>Alternate Member of ACER Administrative Board</i>
Professional experience	<p><i>1988-2004: Paks nuclear power plant</i></p> <ul style="list-style-type: none"> - <i>Engineer: Plant operation support;</i> - <i>Head of Section: Aging management, Probabilistic Safety Assessments, Plant Condition Control;</i> - <i>Engineer: NPP Decommissioning, Periodic Safety Review;</i> - <i>Technical Advisor to Deputy CEO;</i> - <i>Project Manager: Paks NPP extension;</i> - <i>Technical Advisor to CEO and Secretary to the Board of Directors;</i> <p><i>2004-2009: Administrator to the OECD NEA;</i></p> <p><i>2009-2010: Advisor to CEO of the Paks NPP;</i></p> <p><i>2010-2011: Deputy State Secretary for Energy, Ministry of National Development;</i></p> <p><i>2012-2014: State Secretary for Energy, Ministry of National Development;</i></p> <p><i>2014- Advisor to CEO of the Paks NPP;</i></p>
Education	<p><i>1982-1988: Engineer – Heat Physicist – Moscow University for Energy;</i></p> <p><i>1994-1996: Economist – Budapest Institute for Trade and Commerce</i></p>

Training/seminars	<p><i>IAEA – International Training Course on Probabilistic Safety Assessment; 1989 – Obnisk, Russian Federation</i></p> <p><i>IAEA – International Training Course on NPP Project Management; 1996, Madrid, Spain</i></p>
Publications	<p><i>List of Publications attached</i></p>

I understand that the Curriculum vitae will be processed according to the Policy for the prevention and management of conflicts of interest, entered in a register held by the Agency and published on the Agency’s website.

Please note that the Agency will ensure that your personal data hereby submitted is processed in line with Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data¹. For more details on the processing of your personal data, see the privacy statement applicable to your situation.²
