(Contract Staff, Function Group IV)
in the Market Integrity and Transparency Department
at the Agency for the Cooperation of Energy Regulators

REF.: ACER/2017/08

Publication            External
Title Function         Policy Officer – Market Analyst
Parent Directorate-General / Service    DG ENER (BXL)

1. WE ARE

The Agency for the Cooperation of Energy Regulators (hereinafter referred to as “the Agency”) is a European Union (“EU”) body, legally established by Regulation (EC) No 713/2009\(^1\) and operational since 2011. Based in Ljubljana (Slovenia), the Agency is central to the liberalisation of the EU's electricity and natural gas markets.

The purpose of the Agency is to assist National Regulatory Authorities (“NRAs”) in exercising, at Union level, the regulatory tasks that they perform in the Member States and, where necessary, to coordinate their action.

In this respect, the Agency:

a) Complements and coordinates the work of NRAs;

b) Participates in the development of European network rules;

c) Takes, under certain conditions, binding individual decisions on terms and conditions for access and operational security for cross border infrastructure, on cross-border cost allocation for Projects of Common Interest and on terms and conditions or methodologies for the implementation of network codes;

d) Gives advice on electricity and natural gas related issues to the European institutions;

---

e) Monitors the internal markets in electricity and natural gas and reports on its findings;
f) Monitors trading in wholesale energy products to detect and deter market abuse and ensure the integrity and transparency of EU wholesale energy markets.

The main areas on which the Agency’s activities focus are:

- supporting European market integration: this is mainly done through the development of common network and market rules as well as through the coordination of regional initiatives which are concrete efforts from market participants to work towards greater integration,
- advising the EU Institutions on trans-European energy infrastructure issues: the Agency issues opinions on ten-year network development plans, to ensure that these are in line with priorities set at EU level, and on the draft lists of Projects of Common Interest,
- energy market monitoring: the Agency has a general mission in terms of market monitoring at the EU level and has, since the end of 2011, a very specific responsibility when it comes to the oversight of wholesale energy trading.

The Agency currently employs more than 80 staff and has an approved annual budget of €13.3 million in 2017. The Agency’s internal structure comprises five Departments (Electricity, Gas, Market Surveillance and Conduct, Market Integrity and Transparency and Administration) and the Director’s Office. Please find the Agency’s organisation chart on the following link:

The Agency is located in Ljubljana (Slovenia).

2. WE PROPOSE

The Agency is seeking to establish a reserve list for the position of Policy Officer – Market Analyst. The jobholder will be assigned to the Market Integrity and Transparency Department of the Agency and will report to the relevant Team Leader, also in the Market Integrity and Transparency Department.

The Market Integrity and Transparency Department currently comprises five Teams (Market Data & Analytics, Market Data Reporting, Fundamental Data Reporting, REMIT IT Delivery and REMIT IT Operations & Management).

The tasks of the Policy Officer – Market Analyst in the Market Integrity and Transparency Department will include the following:

- Contributing to the preparation of the overall Agency’s regulatory policy on REMIT, particularly the Agency’s market data reporting policy;
- Contributing to the drafting of the policy papers under the responsibility of the Market Integrity and Transparency Department, including guidance on REMIT market data reporting;
- Managing the Agency’s stakeholder queries related to REMIT market data reporting;
• Supporting and coordinating the Agency’s stakeholder activities related to REMIT market data reporting, including organising and participating at roundtable meetings with the Agency’s stakeholders;

• Analysing data reported to the Agency under the REMIT market data reporting framework;

• Performing Business Analysis of REMIT data and creation of reports and/or for the purpose of REMIT operations;

• Contributing to REMIT data quality assurance activities;

• Contributing to IT solutions for supporting REMIT activities and definition of business requirements for necessary IT solutions;

• Cooperating with national regulatory authorities and other relevant authorities on market data reporting and in carrying out the analysis of REMIT data;

• Contributing to the preparation of the Agency’s overall regulatory policy on REMIT;

• Contributing to the preparation of the Agency’s Programming Document and of the annual report on the Agency’s REMIT activities; and

• Collaborating with other teams within the Department and within the Agency, especially on data quality issues related to REMIT market data reporting.

The reserve list for Policy Officer – Market Analyst would primarily serve to satisfy the needs in the Department’s Market Data Reporting and Market Data & Analytics Teams, but may be used also to satisfy the needs in the Department’s Fundamental Data Reporting Team.

The successful candidate will be required to act with a service culture, handling files with confidentiality and utmost professional integrity, being able to show excellent interpersonal and communication skills. He/she is expected to be proactive, with a team spirit, good management of stress, good level of flexibility, being able to prioritise, delivering quality and results with attention to detail and commitment to excellence.

The successful candidate may be required, at times, to assist in other areas of work of the Market Integrity and Transparency Department or of the Agency, according to the needs and priorities, as defined by the Director of the Agency and the Head of the Market Integrity and Transparency Department.
