
Announcement of roundtable meeting on REMIT implementation

Ljubljana, 16 April 2014

Subject: Invitation to participate in the Agency's REMIT implementation roundtable meeting with the stakeholder group of associations of energy market participants

Dear Sir/Madam

In connection with the implementation of Regulation (EU) No 1227/2011 (REMIT), the Agency for Cooperation of Energy Regulators organises roundtable meetings with interested stakeholders on the REMIT implementation. The purpose of the roundtables is to collect the views of, and obtain information from, interested stakeholders and invite attendees to comment on selected questions on data collection under REMIT, in which we believe further consideration would be useful. The first set of roundtable meetings took place in September 2013.

This announcement is directed to the stakeholder group of **associations of energy market participants**. The next roundtable meeting will take place in Ljubljana on 21-22 May 2014. This meeting will focus on three main issues:

- i) *Trade Reporting User Manual*
- ii) *Registration of reporting entities*
- iii) *Criteria for the submission of data*

In order to decide on the exact organisation of the roundtable, representatives from associations of energy market participants are invited to register their interest to participate in the meeting by 2 May 2014, i.e. three weeks after publication of this announcement on the Agency's website, by sending their application to the following mailbox: remit.roundtable@acer.europa.eu. Applications received after this deadline may not be considered.

Further information will be sent to registered participants in due course.

Yours Sincerely,

Volker Zuleger
