11:25 - 11:30	Closing and next steps	Annamaria MARCHI (EC)

Webinar objective:

On 22 January 2020, ACER received a request by the European Commission to provide a recommendation on reasoned amendments on the Regulation (EU) 2015/1222 establishing a Guideline on Capacity Allocation and Congestion Management (‘CACM Regulation’) in accordance with Article 60(3) of the Regulation (EU) 2019/943 on the internal market for electricity (‘Electricity Regulation’).

This webinar brings together representatives from Transmission System Operators (TSOs), Nominated Electricity Market Operators (NEMOs), the European Commission and other interested parties to discuss the main recommendations published by ACER.
