Subject: Notification regarding the investment request related to the Project of Common Interest 8.1.2.2. Paldiski LNG Terminal (“Paldiski LNG”)

The National Regulatory Authorities (“NRAs”) of Estonia, Latvia, and Finland have informed the Agency for the Cooperation of Energy Regulators (“the Agency”) of the receipt from the project promoter of the last documentation regarding the investment request for Paldiski LNG on 19 May 2015. These NRAs have not reached an agreement on Paldiski LNG investment request within the six-month period specified in Regulation (EU) No 347/2013, which expired on 19 November 2015.

In accordance with Article 12(6) of Regulation (EU) No 347/2013, within three months of the date of referral, the Agency is required to adopt a decision on the said investment request including cross-border cost allocation, as well as on the way the costs of the investments are reflected in the tariffs. The three-month period may be extended by a period of two months where further information is sought by the Agency.

Third parties are invited to send any observations they may have on this subject to the Agency (CBCA-Paldiski@acer.europa.eu) by 31 December 2015.
