20 July 2022 13:00-15:00 CEST

TYNDP 2024 Scenarios Process

Regulation (EU) 869/2022 requires that ENTSO-E and ENTSG use scenarios for their respective Ten-Year Network Development Plans (TYNDPs).

- The Framework Guidelines by 24 January 2023
- ACER, the Member States and the Commission opinion on the draft joint scenarios report (within 3 months)
- The EC approval / request to amend (within 3 months)

Thank you for your attention
