

**ACER initiates procedure ref. ACER-ELE-2022-21 with respect to the European Resource Adequacy Assessment for 2022 (ERRA 2022)**

On 30 November 2022, the European Network for Transmission System Operators for Electricity (ENTSO-E) submitted to ACER its proposal for the scenarios, sensitivities and assumptions on which they are based, and the results of the European Resource Adequacy Assessment 2022 (ERRA 2022), pursuant to Article 23(7) and Article 27 of Regulation (EU) 2019/943.

According to Article 27(3) of Regulation (EU) 2019/943, ACER shall decide on ERRA 2022 within three months, i.e. by 28 February 2023.

Given this short timeline, ACER is not going to carry out a public consultation. However, interested third parties may submit, **by 30 December 2022**, observations on ERRA 2022 to ACER-ELE-2022-21(at)acer.europa.eu.

Please note:

- All submissions received will be published on ACER's website.
- If any submission contains confidential information, it must be explicitly indicated and comply with the confidentiality provisions of Article 9 of [ACER's Rules of Procedure](#).
- Information on processing personal data is available on [ACER's website](#).
