Subject: ACER - Open Public Consultations

Dear [REDACTED],

I trust you are doing fine. For compliance purposes I will write in English (and I hope it is fine with you as well).

It was great to meet you in Ostrava and discuss topics of common interest there. I understood that there is running public consultations on the provisional REMIT list of OMPs. We do agree with this list, and our place there (42 Financial Services a.s.) – just minor thing (and that will be nice to meet) – instead of 52nd place list us on 42nd place ☺ (that would be great!).

BTW we are in regular contacts with representatives of energy industry as well as EFETnet, Trayport and we are working together with them on future projects.

Thanks again and should you have any question, suggestion or comment please do contact me direct.

Kind regards,

[REDACTED]
