Dear Sir/Madame,

Even though Cyprus is not included in the regions specified in point 3(2) of Annex I of Regulation (EC) No 714/2009, the CCRs Proposal should take into account any changes in the future/prospective bidding zone borders due to interconnections that are planned or will be planned to be commissioned after 2018. Therefore, we suggest that this option is clearly provided in the CCRs proposal.

Thank you for your cooperation.

Best Regards,
M.Delenta
