

LIST OF FOUNDING MEMBERS

European Network of Network Operators for Hydrogen

ENNOH

1. Introduction

According to the Regulation, by 1 September 2024, the (future) HTNOs shall submit to the Commission and ACER the draft list of members of the ENNOH to be established.

The following companies are deeply involved in ENNOH's foundational process. They have confirmed their intention to co-sign the foundational deed and to be considered founding members of ENNOH.

The founding members can start their membership as either Full Members or Associated Partners. Observers might join later, subject to their application for Observer membership.
