**Subject:** *Reports on ENTSO-E's and ENTSG's activities pursuant to Article 9(1) of Regulation (EC) No 714/2009 and Article 9(1) of Regulation (EC) No 715/2009*

Dear Mr. Lowe,

I refer to the provisions in Article 9(1) of both Regulation (EC) No 714/2009 and Regulation (EC) No 715/2009, which require the Agency to monitor the execution of the tasks assigned to ENTSO-E and ENTSG in Article 8(1), (2) and (3) of the same Regulations and to report to the Commission. Attached please find the Agency's reports covering the period from 3 March 2011 until 31 December 2012.

The Agency has already provided opinions and, where appropriate, recommendations on most of the deliverables prepared by ENTSO-E and ENTSG pursuant to Article 8(1), (2) and (3) of, respectively, Regulation (EC) No 714/2009 and Regulation (EC) No 715/2009. These opinions and recommendations were also sent to the Commission so that the Commission is already informed about the result of this activity by the Agency. Therefore, to avoid double reporting, the attached reports are structured as tables, listing the documents prepared by ENTSO-E and ENTSG on the basis of Articles 8(1), (2) and (3) and the opinions/recommendations issued by the Agency.

Please do not hesitate to contact me should you need additional information about the Agency's monitoring under Article 9(1) of both Regulation (EC) No 714/2009 and Regulation (EC) No 715/2009.

Yours sincerely,

  
Alberto Ppotschnig
