Subject: Submission of Pricing methodology amendment in accordance with Article 30(1) of Electricity Balancing Regulation

Dear Mr Zinglensen, dear Christian,

It is a pleasure for ENTSO-E to submit, on behalf of all TSOs, the first amendment of Methodology for pricing balancing energy and cross-zonal capacity used for the exchange of balancing energy or operating the imbalance netting process in accordance with Article 30(1) of Commission Regulation (EU) 2017/2195 of 23 November 2017 establishing a guideline on electricity balancing (hereinafter – Pricing methodology amendment).

As an attachment to this letter you will find:

- i) the Pricing methodology amendment, which is submitted by all TSOs to ACER for approval;
- ii) the explanatory document together with the annex, that includes the external study, which are submitted for information purposes only;
- iii) the all TSOs answers to the comments received during the public consultation which are submitted for information purposes only (please note that this document includes the public consultation replies which are marked as confidential information and cannot be published, therefore the document should be treated as confidential); and
- iv) the contact details of the TSOs responsible for the development of the proposal and its submission.

To facilitate the approval process on both content and procedural aspects I and my team remain at your disposal for any further discussion related to the subject.

Yours sincerely,

Sonya Twohig
Secretary-General
ENTSO-E
On behalf of All TSOs
