In this specific case, written tests are not mandatory.

4. In order to be taken into consideration with a view to the award of an indefinite duration contract the contracts concerned must follow each other uninterruptedly. A gap of six months or more between two contracts shall be regarded as an interruption.

5. Where a contract as AC3a in function group I has been renewed three times without a further renewal being granted, any new engagement under such a contract shall be subject to the condition that the 12-year reference period laid
