## **1 Opening**

The meeting was opened by the chair who welcomed the Experts. The Experts were reminded that on-time registration for the meeting is very important for internal security arrangements.

## **2 Recent Issues**

ACER informed the Experts about recent updates in relation to REMIT implementation in relation to current status of data collection and future planning.

## **3 Compliance with the data collection obligation under the REMIT implementing acts**

A discussion carried out in relation to the current status of the RRM registration.

## **4 Disclosure of inside information**

ACER presented updates in relation to the disclosure of inside information.

It was agreed that the next expert group meeting could focus on topics of disclosure of inside information. ACER invited the Experts to send their questions by the end of October.

## **5 Interaction with the implementation of EU financial market legislation**

ACER presented an issue in relation to publishing information on emission allowance and whether this would qualify as inside information for both MAR and REMIT.

It was agreed that the next meeting could also focus on this topic. ACER invited the Experts to send their questions by the end of October.

## **6 REMIT Annual report**

ACER provided the updates in the relation to the next publication of the REMIT Annual report. Experts confirmed that ACER should continue publishing the REMIT Annual report.

## **7 Article 12(2) of REMIT discussions**

ACER mentioned that any updates on that regard will become public through ACER public reports.

## **8 AOB**

The next meeting will take place on 9 November 2016 in Brussels.
