● **Early implementation of Network Codes**

- › CAM Roadmap – update October 2014
- › Report on early implementation of Balancing NC

● **GRI reports**

- › GRI Progress reports – Autumn 2014
- › Status Review report on Regional Initiatives 2014

● **Follow-up of regional work**

- › Update of Work Plans in South and SSE regions beyond 2015
- › GRI Coordination group

Early implementation of Network Codes

● CAM

- » Update of **CAM Roadmap** in October 2014 (together with ENTSOG)
- » Main highlights in new version:
 - Updated project status, upcoming milestones in 2015 and IP list
 - Updated review of issues and outstanding implementation questions
- » Published on ACER and ENTSOG websites:

http://www.acer.europa.eu/Gas/Regional_%20Intiatives/CAM_roadmap/Pages/default.aspx

● Balancing

- » ACER-ENTSOG report on early implementation of BAL NC
- » Main aim: overview of implementation deadlines in EU countries and early identification of main issues and challenges
- » Published on ACER and ENTSOG websites:

http://www.acer.europa.eu/Gas/Framework%20guidelines_and_network%20codes/Pages/Balancing-rules.aspx

GRI reports

- **Status Review** report on Regional Initiatives 2014
 - » Joint report by ERI and GRI Coordination groups
 - » A recap of RI work in 2014 and an assessment of ERI and GRI achievements in the past years
 - » To be presented to ACER BoR on 17 December
 - » Publication expected in January 2015

- **GRI Progress report – Autumn 2014**
 - » Track of progress in GRI activities on a biannual basis
 - » Published on 18 November. Next report to be issued in spring 2015

All ACER GRI reports and publications are available at:

http://www.acer.europa.eu/Gas/Regional_%20Intiatives/Pages/Reports.aspx

Follow-up of regional work

- Update of regional **Work Plans**

- » New South Work Plan 2015-2016 – approved on 3 November

- http://www.acer.europa.eu/Gas/Regional_%20Intiatives/South_GRI/Public_Consultations/Documents/GRI%20WP%202015-2016%20Nov%202014_FINAL.pdf

- » New SSE Work Plan 2015-2018 for approval today/tomorrow

- **GRI Coordination** group

- » GRI Coordination meetings held approx. on a bimonthly basis

- » Next GRI Coordination meetings: 12 January (telco-online) and 11 March (physically in Ljubljana – back-to-back with AGWG)

- » Possible reactivation of NW region (under discussion)
