Ljubljana, 16 July 2014

REMIT

Coverage of an immediate physical loss resulting from unplanned outages

Art. 3(4)(b): In such a situation, the relevant information relating to the transactions shall be reported to the Agency and the national regulatory authority.

Delayed disclosure of inside information

Art. 4(2): In such a situation the market participant shall without delay provide that information, together with a justification for the delay of the public disclosure, to the Agency and the relevant national regulatory authority.

Suspicious Transaction Reports

Art. 15: Any person professionally arranging transactions in wholesale energy products who reasonably suspects that a transaction might breach Article 3 or 5 shall notify the national regulatory authority without further delay.

- **Current Notification Platform ('NP')**

- » Active from December 2011
- » Two notification forms:
 - Notification under Article of 3(4)(b) and 4(2) of REMIT and

 - Notification under Article 3(4)(b) of REMIT;
 - Notification under Article 4(2) of REMIT;
 - Suspicious Transaction Report under Article 15 (STR) and Article 16 of REMIT
- » More user friendly and reflects the draft Implementing Acts
- » Option to notify several NRAs and ACER with one notification
- » Old data will be migrated to the updated NP

Timeline foreseen for updated NP

➤ **16 June 2014**

Market participants can access the updated notification forms (however, they still have an obligation to send the current notification forms)

➤ **1 August 2014**

Updated NP goes live, current NP is closed

- Market participants will be required to use only updated notification forms;
- NRAs can access/receive the updated notification forms
- Updated NP is accessible at <https://www.acer-remit.eu/np/home>

Notification Platform – General overview

The screenshot displays the ACER Notification Platform interface. At the top, a blue header contains the text "NOTIFICATION PLATFORM" and a "Home" link with a house icon. Below the header is the ACER logo and the text "Agency for the Cooperation of Energy Regulators". A central white box with a light blue border contains the text "Welcome to the Notification Platform" and three blue links: "Notification according to Article 3(4)(b) of REMIT", "Notification according to Article 4(2) of REMIT", and "Suspicious Transaction Reporting (STR) according to Article 15 of REMIT". The footer is a dark blue bar with white text. On the left, it lists "ACER Agency for the Cooperation of Energy Regulators". In the center, it provides the address "Trg republike 3, 1000 Ljubljana, Slovenia" and contact information: "tel. +386 (0) 8 205 34 00" and "fax. +386 (0) 8 205 34 13". On the right, it states "© Copyright 2012 by ACER. All Rights Reserved." and includes a link for "Legal disclaimer".
